

Club Travel launches corporate website

Club Travel launched their stand-alone Club Travel Corporate website and mobisite, where business travellers and companies seeking exemplary travel services, can find out what sets Club Travel Corporate apart.

Club Travel Corporate, a division of Club Travel is a travel management company dedicated to delivering a superior experience to sophisticated, demanding business travellers. Club Travel Corporate's bulk buying power enables Club Travel to negotiate competitive and preferential rates with suppliers and service providers worldwide.

Corporate services include: MIS, a travel management information service for managing and reporting on travel spend; 24 hour services; a dedicated account manager; corporate governance and reducing spend but the real value that Club Travel brings is through its understanding of the quality of service that businesses and their personnel require.

These services and competitive rates coupled with leading edge technology and specialised travel expertise is the strong foundation on which Club Travel Corporate continues to grow its national presence.

Meeting clients needs

The Club Travel Corporate portfolio is headed by passionate travel entrepreneur, Wally Gaynor who leads a team of equally passionate directors, committed to understanding and meeting clients' needs and who truly care about building and maintaining long-standing, dependable relationships with all stakeholders,

"I am excited that we have a new platform to showcase the excellent services that Club Travel Corporate has to offer. Over the past 27 years we have stayed true to our company DNA and the company values of 'we care' and 'we can'. And it seems the Club Travel culture has brought a breath of fresh air to business travel," said Club Travel MD Wally Gaynor.

Club Travel is a truly South African company, dedicated to transformation and investing in CSI initiatives through its Club Cares division, which encourages its staff and affiliates to give back.

Club Travel Corporate also operates as the South African partner for the GlobalStar travel consortium helping them to provide global services to clients, increased savings from global deals and access to the best local knowledge and greater visibility outside South Africa.
