

Cableway to close for annual maintenance

Table Mountain Cableway has planned to close from next week Monday, 24 July until Sunday, 6 August 2017 for annual maintenance.

There will be other various specific work done a part from the mechanical and component work during the shutdown.

The Cableway's birthday complimentary may be redeemed one week before the closure if anyone's birthday is to happen during the shutdown period. Its season special for children is planned to be available before and after the closure period.
