

Acumatica Cloud ERP wins four *PCMag* Editors' Choice awards

Acumatica Cloud ERP received four accolades in the *PCMag* Editors' Choice Awards. Acumatica Cloud ERP was named best ERP software, best inventory management software, best enterprise-class general ledger accounting software, and the best business mobile apps.

The *PCMag* editors considered the overall ERP functionality and the breadth of modules available to support financial management needs when reviewing the Acumatica Cloud ERP software.
