

# AA takes hassle out of renewing your car license

By submitting their vehicle and license details, AA members can avoid fines for lapsed vehicle licences and penalties for late renewals.

Once vehicle and license details have been sent to the AA, members will: get notified when their license renewal is due, be informed on the total amount owing, and get their new license delivered to them within four working days.

## Benefits

- Notification 30 days before licence expires
- It offers administrative assistance to ensure licence paperwork is in order
- No more queueing
- Delivery to your door — at work or home
- Time-saving convenience
- Renewal of up to four vehicles, registered in one member's name and due at the same time
