

# Arrow Electronics tops Fortune's Most Admired Companies list

Arrow Electronics has been named to Fortune magazine's "World's Most Admired Companies" for the 16th consecutive year. Arrow Altech again topped the list in the "Wholesalers: Electronics and Office Equipment" category based on input from industry executives, directors and analysts.

Fortune's World's Most Admired Companies list recognises companies based on nine "key attributes of reputation", including innovation, people management, use of corporate assets, social responsibility, quality of management, financial soundness, long-term investment value, global competitiveness and quality of products and services.
