

# Kale Logistics named Technology Provider of the Year for CODEX

IT solution provider in the logistics and airport sectors, Kale Logistics was named the Technology Provider of the Year 2016 at the Samudra Manthan Awards. The awards are held by *Bhandarkar Shipping News*.

Kale received the award for its digital platform, CODEX which is India's first container digital exchange which is currently being used at Tuticorin Port. CODEX enables the movement of containers and reduces container dwell time.
