

## **GROHE DAWN Water Technology appoints new chairman**

Simon G. Shaya, general manager and president GROHE East Mediterranean, Middle East and Africa, has been appointed as the new chairman to the board of directors of GROHE DAWN Water Technology effective April 2015.

With this appointment, Mr. Shaya will be representing GROHE Group interests more intensively within the region of South Africa, Sub Equator and southern part of the African continent thus taking on a key role in one of the leading suppliers of sanitary fittings in Africa.
