

Dr. Andre Schulz heads Lufthansa in South Africa

Andre Schulz has recently been appointed Lufthansa's new general manager for South Africa based in Johannesburg. His new post includes planning, coordination and management of all sales and marketing activities in the country.

For three years Andre lead the Lufthansa Passage management board's implementation of the biggest European - Japanese joint venture at the same time representing Lufthansa in the Membership Liaison Advisory Group at Star Alliance. Prior to moving to South Africa, Andre headed marketing and pricing for the Lufthansa Group in Vienna and Budapest.
