We are excited to announce that the 2023 season of the Assegai Awards will open on 11 April for entries!

The Assegai Awards celebrates the best in South African advertising, media, communication, and marketing. It is the only awards show that recognises excellence across all disciplines, from the most traditional to the most innovative, from the most strategic to the most creative. An Assegai Award does not give honours for extravagant production values, enormous budgets, or big-name companies. Rather, it recognises breakthrough strategy, creative brilliance, and outstanding results in ROI.
