

Eats Everything joins Ultra SA 2018 line-up

Welcoming one of the world's most renowned underground producers to the Resistance stage, Eats Everything is the latest international addition to the fifth anniversary of Ultra South Africa 2018 line-up.

Having played multiple Resistance stages and events across the globe, the UK heavyweight is destined to treat the crowd to a serious dose of house and techno.

Some of the country's biggest and most respected artists have also been added to the final lineup, including **Timo ODV**, **Sketchy Bongo**, **Crazy White Boy**, **Good Luck**, **Fresh**, **Euphonik**, **Shimza**, **Da Capo**, **Kyle Watson**, who will bring their own various blends of house music to the decks.
