

Orms partners with DJ Invizable for Art Africa Fair

DJ Invizable's art piece, Skorofietsie, will feature on specialised substrates at the Art Africa Fair from 24 February-5 March 2017. The work explores the concept of the Afrocentric solutions to Eurocentric consumerist unconsciousness.

The installation features Inkjet prints on metal and Perspex, Dibond Giclée prints on Hahnemühle Baryta, and an Inkjet print on wood, courtesy of Orms' advanced Print Room & Framing solutions.
