Sexpo, SA's health, sexuality and lifestyle expo, will be hitting the Sandton Convention Centre from Wednesday, 22 to Saturday, 25 March. To make sure that Sexpo-goers enjoy every minute of the sultry show, we've put together a list of nifty tips on how to get the best out of Sexpo.

## Tips for making the most of the Sexpo experience:

- Wear comfortable shoes.
- Bring plenty of spending money.
- Use the Gautrain so that having a few drinks isn't an issue.
- Have a couple of tequilas on arrival to take the edge off.
- Wear something kinky under your clothes that only you will know about.
- Look at the schedule and plan the day, find out when the Lola Montez workshops and Sexpo shows are that can't be missed.
- Don't get overwhelmed though, be selective and don't try and cram everything into one day. Rather go on more than one day.
- Get involved and participate. It's more fun that way.
- Go and see the Lola Montez stand. Look for the purple tent!

There is plenty to see and do at Sexpo after visiting Lola Montez's workshops and stand. Check out Pricasso, the painter with the quirky brush, meet and take photos with stunning adult film stars and Miss Nude SA, and watch the sizzling Aussie dance sensation Thunder from Down Under who are hot off the stage in Las Vegas and ready to dazzle Sexpo audiences.

Sexpo is strictly for over 18s only. Tickets can be bought from [Computicket](#). For more information, go to [www.sexpo.co.za](http://www.sexpo.co.za).
