

The Love Sex Expo comes to South Africa

The four-day adult-themed exhibition, The Love Sex Expo, is coming to South Africa. The Love Sex Expo will be held at Time Square in Pretoria from 10 to 13 October 2019.

Expo organiser, Linda Guldemon, says “Sex is fun, and The Love Sex Expo is the most fun you’ll have all year!” She added: “It’s tasteful, it’s entertaining, and it’s the sexiest shopping experience around.”

Over the four days, The Love Sex Expo will educate and entertain local audiences. The arena stage will feature performances with burlesque shows, dancers, comedy sessions and crowd-participation acts. Australia’s Pricasso, the world-famous penile artist, will be showcasing his skills to local fans. The workshop will feature industry experts giving talks every half-hour on interesting and engaging topics.
