Two-time slots will be made available to visitors. The first will be a Cabernet-themed Masterclass between 3pm and 5pm. For those wanting to walk around, chat with the winemakers and sample more than 40 wines on display, the walkaround tasting between 4pm and 7.30pm is perfectly suited.

For Masterclass goers, start your Cabernet journey with a complimentary welcome drink, before the seated eight-wine tasting begins. In this special tasting top international Cabernets will be tasted alongside a line-up of Stellenbosch Cabernets from three famous vintages specially selected by Michael Fridjhon, wine judge and critic.

The value of the wines being poured in the masterclass is over R35,000. Riedel varietal-specific glassware will ensure the wines show perfectly. Due to the rarity of the wines being tasted, seats are limited. The masterclass ticket price includes access to the walkaround tasting afterwards.

The walkaround tasting will include a current vintage wine for tasting alongside an older vintage seldom offered to the public from 22 SCC member producers. Mingle with some of the Stellenbosch Winelands' heavy-weight winemakers, which include, amongst others, Jordan Wine Estate, Hartenberg Wine Estate, Neil Ellis Wines, Kanonkop Wine Estate, Waterford Estate, Spier Estate and Oldenburg Vineyards.

The oldest wine on show for the night is the 1997 Warwick Cabernet Sauvignon. A rare opportunity to sample some of South Africa's oldest and finest wines under one roof, for one night only. Talk about the wines with our renowned winemakers, enjoy paired bites and taste over 40 wines in the stylish space of the Mesh Club.
