

Levi's Women's Shaping Series now available in plus sizes

Levi's has launched plus sizes in its Women's Shaping Series, which have innovative tummy slimming technology plus high-recovery fabric and hold.

Women can choose from straight, skinny or super skinny cuts in sizes 16-24 (South African sizes 40-48), in lengths S (short or 30), M (Mid or 32) and L (long or 34). Jeans are available now in selected Levi's stores.
