

2024 Annual SIOPSA Conference

The SIOPSA 2024 Annual Conference recognises the critical issue of mental health. It aims to bring together psychologists, psychometrists, human resource practitioners, mental health advocacy organisations, and business leaders to collaboratively explore and devise effective strategies to ensure psychological well-being and productivity.

The three-day conference will address the following themes: "context," "content," and "conduct."

Date: 16 July 2024 to 19 July 2024

Time: 08:00 - 17:00

Venue: Johannesburg
