

Metrofibre Networx appointed fibre supplier to Kyalami Estates

Metrofibre Networx has been appointed the preferred fibre supplier to Kyalami Estates. The FTTH project will start towards the end of February, and will be rolled out in different phases. The total financial investment is expected to be in the region of R13 million. In addition to this contract, Metrofibre has partnered with its reseller partner, RocketNet, as the preferred service provider for the actual FTTH internet services. RocketNet has developed a range of highly competitive packages for early bird subscribers.
