

## Tintswalo Safari Lodge introduces the Grant Suite

The Tintswalo Safari Lodge introduced the new Grant Suite, a two-bedroom family suite, in the Manyeleti Game Reserve near the Kruger National Park. The new suite is connected to the main lodge by a raised wooden walkway and consists of two en-suite bedrooms, a lounge with private deck and a large plunge pool.

The suite accommodates children aged nine and older and the lodge provides a custom-made children's programme, which aims to provide young visitors with a fun, educational perspective of the African bush.
