

La Vita Health Spa treats the 2018 Gogos of the Year

First Group's La Vita Health Spa at the Palace in Durban treated the three winners of the 2018 Hillcrest Aids Centre Gogo of the Year competition to a day of pampering. As the winners, the Gogos were given a brunch at the hotel's Pesto restaurant, which was followed by body treatments at the La Vita Spa, cosmetic gift hampers, and a travel set from Vaczone.

The Gogos also received a mix of beauty treatments and some jacuzzi time along with a bottle of champagne to toast the occasion.
