

# The !sh - Class of Hard Knocks

We have invited entrepreneurs and business owners to share their stories so we can all learn from their challenges and missed opportunities. Find out how they recovered, applaud their successes and find out their plans for the future.

The !sh - Class of Hard Knocks

This is the launch of a series of events that seeks to dispell the myths about entrepreneurship being glamorous. Truth is, Entrepreneurship is not for the faint-hearted.

We have invited entrepreneurs and business owners to share their stories so we can all learn from their challenges and missed opportunities. Find out how they recovered, applaud their successes and find out their plans for the future.

The !sh that should have happened but didn't. The !sh that actually happened. The !sh we should talk about but we don't.
