

Technologiks announces Gerald Naidoo as CEO

Technologiks has announced the appointment of Gerald Naidoo as CEO. Naidoo is responsible for growing Technologiks locally and across the continent as the CEO.

He has held top management positions at international companies such as Unisys, CSC and HP, and is equipped with a number of qualifications, including an MBA from the Stanford Graduate School of Business Executive Education.

Naidoo said he's looking forward to growing the Technologiks brand.
