Hayward's Grand Safari Company's Celia du Preez was recently acknowledged as one of the top 40 woman in the MICE industry for 2017 in *Meetings* magazine. The winner of the award will be announced at an awards ceremony set to take place on 17 August 2017.

Nominees were selected based on their ability to motivate those they work with and the influence they have over their peers and clients, in addition to the amount of money they generated, or simply the passion they have for the industry.

Du Preez has been working at Hayward's Grand Safari Company for the past 11. As the executive production manager, she is tasked with the bespoke planning of each event held at the establishment.
