

LetsTalkDigital: EP70: FutureTech Media Women Series: Lana Strydom - Vodacom

This series is being sponsored by Futuretech Media providing next-generation technology solutions. The first digital leader is Lana Strydom executive head of digital, content and social marketing at Vodacom.

Strydom shares with us her leadership journey to date, tips on how to own your space as a female leader and tapping into her passion points.

Let's Talk Digital features every second Thursday on Bizcommunity Marketing & Media homepages and via <https://talkdigitalza.co.za/>, [Instagram](#), [Twitter](#), [LinkedIn](#) and [band.link](#), [iono.fm](#).

Audrey Naidoo is head digital marketing at Absa. A digital activist, podcaster, influencer, public speaker & and members of various professional bodies: IAB Brand Council member, MMA, CMO Advisory Council for Africa & MASA. Naidoo owns a podcast called LetsTalkDigital which aims to educate, share and open up digital conversations in the industry. Naidoo is a professional marketer with extensive experience in the broader digital ecosystem with a focus on commercialisation, data, tech, analytics, creative, strategy and digital marketing transformation. Tyran De Beer is the creative producer for Let's Talk Digital. A jack of all things digital and technical, aspiring to master marketing and finance trades. His passion lies in data, analytics, tech and measurement. He is the digital consultant at Absa and is responsible for driving the commercialisation of digital efforts across the enterprise. Previous experience has been on the agency side with a focus on media strategy, performance and ROI with a strong inclination to Google Ads.
