

Brand South Africa participates at WEF on Africa

Closely underpinned to South Africa's NDP strategy, which will also be driving key discussion focus areas throughout the course of the WEF Africa 2015, is Agenda 2063 - which represents a collective effort and an opportunity for Africa to regain its power and determine its own destiny.

Agenda 2063 is based on the AU's Vision to build an integrated, prosperous and peaceful Africa, and is viewed as a new phase in efforts by Africans to catalyse development of the continent and

Brand South Africa will host several interactive dialogue sessions with various stakeholders during the course of the event. Media are invited to the following session:

'Africa Research Seminar: Reputation Research Feedback and Stakeholder Consultation Session' on Thursday 4 June 2015 from 7-9am. Both events are at the Taj Hotel, Wale St, Schotsche Kloof, Cape Town.
