

SATSA conference available on webcast

Now Media Webcasting - a webcasting company based in Johannesburg, with business links in Canada and Australia - recently webcast all the speeches and highlights of the two-day 37th annual Southern African Tourism Services Association (SATSA) Conference and AGM. By webcasting the event, members who were unable to attend can now view the broadcast over the Internet as a video on demand product, 24-hours a day, at

www.nowmediawebcasting.co.za/clients/satsa_agm/index.asp.
