

'Yesterday' strong at the boxoffice

'Yesterday, the first-ever isiZulu commercial film which was released on Friday, 3 September, has become this year's second highest grossing South African film in its opening weekend - after Schuster's 'Oh Shucks, I'm Gatvol' which was released on over four times as many cinemas as Yesterday. There has been a phenomenal word-of-mouth on the film, resulting in an increase in the boxoffice on Tuesday, 7 September compared with that of Sunday, 5 September.
