

Egypt court releases *Al Jazeera* journalists on bail

An Egyptian court has ordered the release of detained *Al Jazeera* journalists Baher Mohamed and Mohamed Fahmy on bail.

Al Jazeera spokesperson Osama Saeed said: "Bail is a small step in the right direction, and allows Baher and Mohamed to spend time with their families after 411 days apart. The focus though is still on the court reaching the correct verdict at the next hearing by dismissing this absurd case and releasing both these fine journalists unconditionally."

The next hearing will be on 23 February 2015. Show your support on social media by using the hashtag #freeajstaff.
