

Eithiopian Airlines to introduce Manchester-Addis Ababa flight

Ethiopian Airlines will introduce a four-times-a-week service between the Manchester Airport in the UK and Addis Ababa. The airline will operate the B-787 on the route with business and economy classes.

The service will start on 1 December 2018 and will initially transit via Brussels. It is expected to leave Manchester at 7pm and arrive at Addis Ababa Bole International Airport at 6am.
