

Tarsus On Demand appoints new head of operations

Cloud platform enablement partner, Tarsus On Demand, has appointed Landie Uys as its Head of Operations.

For the past 8 years, she has been a key member of Tarsus On Demand and during her tenure, Uys has contributed to various teams, including sales, operations, and technical. Now, as the head of operations, she is driven to merge her passion with her professional role, aiming for operational excellence through technology.
